

# Walking Alone

Green Day

- A** **F#**  
1. Come together like a foot in a shoe
- G** **D**  
Only this time I think I stuck my foot in my mouth
- A** **F#**  
Thinking out loud and acting in vain
- G** **D**  
Knocking over anyone that stands in my way
- A** **B**  
R: Sometimes I need to apologize
- A** **B**  
Sometimes I need to admit that I ain't right
- A** **B**  
Sometimes I should just keep my mouth shut
- E** **D** **C#**  
Or only say hello
- D** **E** **A**  
Sometimes I still feel I'm walking alone
2. Walk on eggshells on my old stomping ground  
Yet there's really no one left, that's hanging around  
Isn't that another familiar face  
Too drunk to figure out they're fading away
- R: Sometimes I need to apologize...
