

# Whatsername

Green Day

předehra: D5 H5

**D5** **H5**  
Thought I ran into you down on the street  
**D5** **H5** **A5**  
Then it turned out to only be a dream  
**G5** **D5** **F#5** **H5** **A5**  
I made a point to burn all of the photographs  
**G5** **D5** **F#5** **H5** **A5**  
She went away and then I took a different path  
**G5** **D5**  
I remember the face  
**F#5** **H5** **A5**  
But I cant recall the name  
**G5** **A5** **D5**  
Now I wonder how Whatsername has been

Seems that she disappeared without a trace  
Did she ever marry 'ol Whatshisface  
I made a point to burn all of the photographs  
She went away and then I took a different path  
I remember the face  
But I cant recall the name  
Now I wonder how Whatsername has been

**G** **D/F#**  
Remember, whatever  
**A** **D/F#**  
It seems like forever ago  
**G** **D/F#**  
Remember, whatever  
**A** **D/F#**  
It seems like forever ago

**G** **D/F#** **F#**  
The regrets are useless in my mind  
**Hmi**  
She's in my head  
**A**  
I must confess  
**G** **D/F#** **F#**  
The regrets are useless in my mind  
**Hmi**  
She's in my head  
**A** **G**  
From so long ago  
**D** **F#** **Hmi** **A**  
Go--go--go--

**G D F# Hmi A**

**G** **A**  
And in the darkest nights  
**G** **A**  
If my memory serves me right

**G**            **A**

I'll never turn back time

**G**            **A**                    **D**

Forgetting you, but not the time...
