

Fixation

Green Jelly

Body crusher, 360 muncher, burnin' out on the power trip
Two-faced interragation, hell, liar, liar, panties on fire
Razor blade in the hand, rage you wanna fix
Gotta, gotta fix, fix a man
Burnin' acid, angry sweat, fire
Grind howlin', crow cacklin'
Two faced interragation, brains by the stupid head ripped
Razor blade...
Hit the drecks, be nowhere, copy-cat manipulation
Knuckles buzzin' through the air, soul stripper over there
Razor blade...
