

## Fuxk It

Green Jellö

Fuck that shit!  
I can't think of a lie, Fuck it!  
Yo, I gotta go to work, Fuck it!  
All the beer's warm, Fuck it!  
And I gotta pay the rent, come on!  
Fuck that shit!  
My credit card declined, dawg, Fuck it!  
You know it's trash night, Fuck it!  
I'm tryna get another 12-pack, Fuck it!  
'Cause I'm drunk as shit  
Fuck that shit!

Fuck the radio, this song's for you  
It's Lazy D coming through with the Green Jellö crew  
Now your world's upside down and it's got you screwed  
But life's a bitch, fuck it, I mean what can you do?  
I crack a brew to let loose and drown the abuse  
No excuse for this misuse, cause I gotta produce  
Gotta recoup, gotta have love for my group  
Same shit, different day like I'm stuck in a loop

I can't think of a lie, Fuck it!  
Yo, I gotta go to work, Fuck it!  
All the beer's warm, Fuck it!  
And I gotta pay the rent, come on!  
Fuck that shit!  
My credit card declined, dawg, Fuck it!  
You know it's trash night, Fuck it!  
I'm tryna get another 12-pack, Fuck it!  
'Cause I'm drunk as shit  
Fuck that shit!

Fuck it! Let it go! Just the way that it goes  
'Cause life's a puppet show and it kinda blows  
What's the point? Smoke a joint, 'cause God only knows  
But I roll with the aliens and go with the flow  
So play me a fiddle and raise up your middle  
Finger, don't linger, 'cause it's on with the show  
Life is a riddle, little short on the dough  
Tricking out my PayPal just to stay on the road

I can't think of a lie, Fuck it!  
Yo, I gotta go to work, Fuck it!  
All the beer's warm, Fuck it!  
And I gotta pay the rent, come on!  
Fuck that shit!  
My credit card declined, dawg, Fuck it!  
You know it's trash night, Fuck it!  
I'm tryna get another 12-pack, Fuck it!  
'Cause I'm drunk as shit  
Fuck that shit!

Aw that's right, it's your boy Lazy D

And Billy Manspeaker, your punk rock puppet priest

And you can't do anything about it

You gotta raise that middle finger

High in the air and scream

Fuck that shit!

It's crazy, you see, I'm down on my knees  
Screaming "Fuck Lazy D and fuck this CD!"  
Yo, fuck your satellite dish, fuck your TV  
Fuck you, fuck me, fuck bologna  
Fuck this fuckin' shit, can't deal with it  
I wanna hear you scream "Fuck it!"  
Fuck things I can't explain, things in my brain  
Driving me insane, happens every day

I can't think of a lie, Fuck it!  
Yo, I gotta go to work, Fuck it!  
All the beer's warm, Fuck it!  
And I gotta pay the rent, come on!  
Fuck that shit!  
My credit card declined, dawg, Fuck it!  
You know it's trash night, Fuck it!  
I'm tryna get another 12-pack, Fuck it!  
'Cause I'm drunk as shit  
Fuck that shit!

Fuck it! Fuck it! Fuck it! Fuck that shit!  
Fuck it! Fuck it! I'd just like to say fuck it!  
Fuck that shit!  
Yeah, boyyyyyy
