Green Jelly

Cough Cough Cough  
In your face  
Don't get off  
Murder Train!

Fall asleep  
Do cocaine  
Take a shit  
Murder Train!

Murder Train! Murder Train!  
Murder Train! Murder Train!

Smoke some crack  
Go Insane  
Don't look now  
Murder Train!

Got too drunk  
Urine Stain  
Pissed Your Pants  
Murder Train!

Get Tattooed  
Eat the pain  
On your face  
Murder Train!

It's not a car  
It's not a plane  
It's not a bus  
It's Murder Train!

Murder Train! Murder Train!  
Murder Train! Murder Train!

All aboard for those who want to score  
Next stop, Hollyweird Kalifornia  
Anything goes down on the Murder Train  
You can get tattooed, score some drugs, take a nap in your own piss  
The best part, it's free  
You can get on, but you can never get off  
The Murder Train

Murder Train, Murder Train  
Murder Train, Murder Train  
Murder Train, Murder Train  
Murder Train, Murder Train!
