

## Pukebox

Green Jellö

"Coming to you live from the cesspool of the world! It's the kings of filthy parody! Pukebox!"

I'm Bill Manspeaker of Green Jellö fame  
Throwing my hat in the Pukebox ring  
Puppet head partying every day  
Punk's not dead, it just smells that way  
X-Rated parodies from Houston, Texas  
A band made up of super homo-erectus  
The jokes are filthy, but the music's tight  
They party all day and they party all night

Pukebox, Pukebox, we hate you  
And if you got a brain you say fuck you too  
Pukebox, Pukebox, we hate you  
We're the kings of parody, you know it's true

If you're bored at home on a Saturday night  
That means you're not doing it right  
Get your duct tape, create something new  
And party with the Green Jellö/Pukebox crew  
Party with the Pussy Wolf and Pool Boy #2  
Eddie Gangbang, Rauncho Villa too  
Sergeant Peckers on guitar and Hot Doug on skins  
Rocking those hairs of your chinny chin chins

Pukebox, Pukebox, we hate you  
And if you got a brain you say fuck you too  
Pukebox, Pukebox, we hate you  
We're the kings of parody, you know it's true

"This is a public service announcement going out to YOU, "Weird Al" Yankovic! I challenge you to a parody smackdown! Wondering what song will slow it down, bitches, because I'm the king of filthy parody!"

Pukebox, Pukebox, we hate you  
And if you got a brain you say fuck you too  
Pukebox, Pukebox, we hate you  
We're the kings of parody, you know it's true  
Pukebox, Pukebox, we hate you  
And if you got a brain you say fuck you too  
Pukebox, Pukebox, we hate you  
We're the kings of parody, you know it's true  
We're the kings! The kings of filthy parody!  
Fuck you too!

"Mr. Manspeaker? Hey it's Weird Al... I got your message. Aw ma

n, I would love to be on your album... If only my standards were much much much lower... Which obviously they are not... Soooooo HARD PASS, BABY!" [\*beep\*]
