

Freak On A Peak

Green Lung

Spent all winter waiting
For the sun to arise
Longing for isolation
In my perch on high

Dreaming of the mountains
The whispering pines
Soon as the summer comes
I will take back what's mine

Now I'm back on the track
Freak on a peak
Just me and my pack
Freak on a peak
Now I'm homeward bound
Freak on a peak
No use down on the ground
Freak on a peak

Tried to live the city life
Didn't do me no good
Tried to be civilised
But I never could

Never felt satisfaction
Never felt at home
Til I went to the woods
And I lived alone

Now I'm back on the track
Freak on a peak
Just me and my pack
Freak on a peak
Now I'm homeward bound
Freak on a peak
No use down on the ground
Freak on a peak

No sense of self
No sense of time
Think I finally found
Some peace of mind

Free as a bird
Like an orphan child
Couldn't help but answer
The call of the wild

Up here in my tower
I got my own space
Feel like I dropped out
Of that human race

No hope for mankind
No, they'll never learn
I'm going to sit back
And watch the world burn

No sense of self
No sense of time
Think I finally found
Some peace of mind

Free as a bird
Like an orphan child
Couldn't help but answer
The call of the wild
