

Resting Hour

Green River Ordinance

When your bridge is burned and you can't find a quiet mile
Lost and deserted - Leave it behind
I'll come running
When all your hard days wear on your shoulder
Can't help but feel like you're walking the same old line
I'll come running
Open up to me - Open up to me
I will always be your resting hour
Give it all to me - Give it all to me
Maybe I can be your resting hour

I see the sun and it's rising slowly
For every shadow there's a light
Open your eyes I'll come running
Open up to me - Open up to me
I will always be your resting hour
Give it all to me - Give it all to me
Maybe I can be your resting hour
Your resting hour yeah

When we are broken we're not forgotten
You will be strong
And even though that fight that we're facing
Leaves you burned out and shaken
You're not alone
Open up to me - Open up to me
I will always be
Open up to me - Open up to me
I will always be your resting hour
Give it all to me - Give it all to me
Maybe I can be your resting hour
Your resting hour
Your resting hour
