

Blood Sucking F(r)iends

Greensky Bluegrass

Well don't want to write songs that don't want to sing
I don't want to pretend that I know everything
These melodies and chords, well they're all the same
I ain't afraid to have nothin'

I don't know why I try and stay out all night
Just get bitter and start a fight
My friends who are standing at the end of the bar
Hootin' and hollerin', letting you know who they are

They love me so much they never let me go
They love me so much they'll never let you know
You'll punch me so much I'll have a broken nose
You blood sucking fiends, I don't need you no more

Hootin' and hollerin', lettin' you know who they are
You blood sucking fiends, I don't need you no more
You blood sucking friends, I don't need you no more
