

## Earnest

Greentea Peng

I've got some knowledge, but I am not learned  
With an earthy mind drags me back to surface  
My Hare Krishna boys tell me it's 'bout service  
But if my mind binds me here, are my words to God earnest?  
Are my words to God earnest?

I've got some knowledge, but I am not learned  
With an earthy mind drags me back to surface  
My Hare Krishna boys tell me it's 'bout service  
But if my mind binds me here, are my words to God earnest?  
Are my words to God earnest?

One foot in the material, the other in the spiritual  
Sometimes I lose myself, I don't know which way I am going  
Try keep expression flowing  
It's conscious seeds I'm sowing

I, I need time, time  
For my mind mind, mind  
To work tings out yeah

I've got some knowledge, but I am not learned  
With an earthy mind drags me back to surface  
My Hare Krishna boys tell me it's 'bout service  
But if my mind binds me here, are my words to God earnest?  
Are my words to God earnest?

One foot in the material, the other in the spiritual  
Sometimes I lose myself, I don't know which way I am going  
Try keep expression flowing  
It's conscious seeds I'm sowing

It's the seng seng family  
It's the seng seng  
It's the seng seng family

I, I need time, time  
For my mind mind, mind  
To work tings out yeah

It's the seng seng  
It's the seng seng family
