

Even After All

Greentea Peng

Even after all the murdering
Even after all your suffering so
You know I love you so
You know I love you so and so
Even after all
All that you go on, sir
Is the order of the day
And all that you believe, sir
Is the order of this society
You know I love you so
You know I love you so
Even after all

This is my manner y'all
Man just feel satisfied
No competition, no competition at all
I just feel satta star
Them eyes are gorgeous, girl
No demise, uprise
I got to raise it again
Them eyes are gorgeous, girl, I must advance
No, I don't check for no superficial
It's got to be beneficial
These sonic fruits, these sonic fruits, yeah, yeah
I don't check for no superficial
It's got to be beneficial
These sonic fruits, these sonic fruits, yeah, yeah

Even after all
Even after all
Even after all
Even after all
The murdering, the murdering
Even after all your suffering so
You know I love you so
You know I love you so and so
Even after all
Even after all
Even after all

This is my manner y'all
I just feel
This is my manner y'all
