

# Liberation

Greentea Peng

Mmm, mmm

Mmm

What do you do when you're lost for words?  
Try claw at another verse  
Sit still 'til you press reverse, then it hurts  
See ya later, I'm long gone now  
I'll be back, but I don't know when or how, nah

Lost your name at the side of my page  
He was far when I tried to engage in conversation (Ay)  
Left me there on the side of the road  
Don't feel bad, told you, "You do not owe me inspiration."  
Yeah, I'm trying to lose my mind  
To elevate, yeah, it takes a lifetime  
I don't mind, I'm searching for my liberation  
I, I (I, I)

Like you in the morning when you're quiet and still and there's  
room to breathe  
I ain't smoked today, 'cause I ain't got no money  
Nah, it ain't all sunny, but found a boy and he's lovely  
Golden just like honey  
Yeah, you taste like honey

Lost your name off the side of my page  
He was far when I tried to engage in conversation  
Left me there on the side of the road  
Don't feel bad, told you, "You do not owe me inspiration."  
Yeah, I'm trying to lose my mind  
To elevate, yeah, it takes a lifetime  
I don't mind, I'm searching for my liberation
