

Meditation

Greentea Peng

Music is my beloved
Sensi is my beloved, you can
Judge me, but you can't stop it
My meditation

I can feel you clearly, I, I
Power's running through me, feeling source again, love only
Meditation

Tune in and I'm zoning
Sensimilia help me zone in
Feel my heart and it's wide open
Meditation

Sensi is my beloved, you can
Judge me, but you can't stop it
My meditation

Tune in and I'm zoning
Sensimilia help me zone in
Feel my heart and it's wide open
Meditation
