

Nowhere Man

Greentea Peng

We are the nowhere man from the nowhere clan
We don't know where we're from so we don't know where we're going
And we don't have no plan cah we are the nowhere man
Eat up all convention, bypass your objections, yeah

You don't get it, but how could you?
When the line's been set in front of you
How shit's complex, blessed by nuance
I know you forward lot see us as a nuisance
We in motion, but encroaching
On your ideas, your isms, you're bloated
Fixated, concrete notions
If you don't fit it, you a misplaced token
Fuck your ideas and washed-up slogans
We got it covered, dear Johnny, like a Trojan
You can't fix this, it ain't broken
Unrecognisable, these parts of you stolen
We hold 'em, then switch it up, B, there's no folding 'em
Blessed with a mixed-up heart and a natural art
No, we ain't book-smart, but we get what's ours
Yeah, we get what's ours cah

We are the nowhere man (Man), from the nowhere clan (Clan)
We don't know where we're from so we don't know where we're going (Apparentl y)
And we don't have no plan (Nah-nah), cah we are the nowhere man (No)
Eat up all conventions, bypass your objections, yeah, yeah, yeah
Yeah, yeah, yeah

Everywhere, everywhere
We from nowhere and everywhere
Citizen of the world
You can't tell me where I can go
Where I belong
Where I belong

We are the nowhere man (Man), from the nowhere clan (Clan)
We don't know where we're from so we don't know where we're going (Apparentl y)
And we don't have no plan (Nah-nah), cah we are the nowhere man (No)
Eat up all conventions, bypass your objections, yeah

You don't have to get it, really, how could you?
I ain't here to fit in, so why would I?
Bend over backwards, explain you my tactics
What I relate to or how I go 'bout it
What I align with, who I subscribe to
Where I am from or who I praise unto
I know it seems like my choices impromptu
Struggling to imagine my stance, yeah, my avenue
But come with love like a nowhere man
Come with love like a everywhere man cah we everywhere man
Yeah, we everywhere man

We are the nowhere man (Man), from the nowhere clan (Clan)
We don't know where we're from so we don't know where we're going (Apparentl y)

And we don't have no plan (Nah-nah), cah we are the nowhere man (No)
Eat up all conventions, bypass your objections, yeah
