

# Just Live

Greg Brown

You stare at the sun  
You run run run  
When you're done  
Throw down the gun  
And just live  
Just live

Love has had it up to here  
Nothing is clear  
Wash your eyes with tears  
Be of good cheer  
Just live  
Just live

Just live  
Until you die - just live  
Until you die - just live  
That's all--just live

When your tired of cars  
Tired of bars  
Tired of stars  
Tired of wars  
Just live  
Just live

Money and power  
don't make the Dawn  
Something else  
is going on  
Just live  
Just live

Just live  
Until you die - just live  
Until you die - just live  
That's all--just live

The faster it all goes  
The slower I wanna make love to you  
I wanna make love to you

The faster it all goes  
The slower I wanna make love to you  
I wanna make love to you

~~~♪♪♪ ~~~

Just live  
Until you die - just live  
Until you die - just live  
That's all--just live

When you're worn down  
just like this town  
And no friend can be found

I'll be around--

Just live

Just live

You can walk with me

talk with me

squawk with me

and rock with me

Just live

Just live--

Just live

Until you die - just live

Until you die - just live

That's all--just live

Just live

Just live

Just live

Until you die - just live

Until you die - just live

That's all--just live...
