

## Lull It By

Greg Brown

Sorrow is hooves of rain  
Lull it by, lull it by  
Oh our lives are poor and plain  
Oh my darling lull it by

Oh we met out on the street  
Lull it by, lull it by  
Now a dream is where we meet  
Oh my darling lull it by

Do I love you? Yes, I do  
Lull it by, lull it by  
Wish I could take care of you  
Oh my darling lull it by

Blessings on the east and west  
Lull it by, lull it by  
And on my bird in your nest  
Oh my darling lull it by

When you wake up sad and deep  
Lull it by, lull it by  
Let my song lull you to sleep  
Oh my darling lull it by

And if we never meet again  
Lull it by, lull it by  
Hold me in your heart, best friend  
Oh my darling lull it by
