

Remember the Sun

Greg Brown

The way of the world
Is getting so heavy
Restless, Helpless
People get ready

Remember the sun
Remember the sun
Remember the sun
Remember, Remember the sun

In the middle of the day
Nothing seems right
You lost your morning
In the middle of the night
Remember the sun
Remember the sun
Remember, Remember the sun

There's so much to do
That ain't getting done
The hopes of the people
Are under the gun

Remember the sun
Remember the sun
Remember, Remember the sun

Its going round and round
Covering ground
It always comes up

After it is down
Shine on everyone
Remember the sun

The thief from the hill
The crook in the alley
We can rise up
From down in the valley

Remember the sun
Remember the sun
Remember, Remember the sun
Look at your sister
Look at your brother
Look at your father
And your sweet mother

Remember the sun
Remember the sun
Remember, Remember the sun

Hand to hand
Head to toe
You can find the sun
Wherever you go

Remember the sun
Remember the sun
Remember, Remember the sun
Remember, Remember the sun
Remember, Remember the sun
