

Samson

Greg Brown

You are my sweetest downfall
I loved you first, I loved you first
Beneath the sheets of paper lies my truth
I have to go, I have to go
Your hair was long when we first met

Samson went back to bed
Not much hair left on his head
He ate a slice of wonder bread
And went right back to bed

And history books forgot about us
And the Bible didn't mention us
The Bible didn't mention us
Not even once

You are my sweetest downfall
I loved you first, I loved you first
Beneath the stars came falling on our heads
But there just told light, there just told light
Your hair was long when we first met

Samson came to my bed
Told me that my hair was red
He told me I was beautiful
And came into my bed

Oh, I cut his hair myself one night
A pair of dull scissors and the yellow light
And he told me that I'd done alright
And kissed me till the morning light, the morning light
And he kissed me till the morning light

Samson went back to bed
Not much hair left on his head
Ate a slice of wonderbread
And went right back to bed

Oh, we couldn't bring the columns down
Yeah, we couldn't destroy a single one
And history books forgot about us
And the Bible didn't mention us
Not even once

You are my sweetest downfall
I loved you first
