

Things Go On

Greg Brown

~~~♪♪♪ ~~~

The traveler meets many people  
And they are kind to him  
For they know he will soon be gone  
Unlike family and friends

Things go on  
We do too  
One day it's me  
Next day it's you

~~~♪♪♪ ~~~

One song leads to another
One kiss leads to more kisses
One angry word leads to World War III
Can you tell me why this is?

Things go on
We do too
One day it's me
Next day it's you

~~~♪♪♪ ~~~

Everything we know is leaving  
Like a train or a plane or a bus  
For the old old people are dying  
And the new old people are just like us

Things go on  
We do too  
One day it's me  
Next day it's you
