

# Waiting On You

Greg Brown

Waiting on you, waiting on you  
Is about all I do  
Another night, another day  
I'm waiting on you  
And I don't know why, I...  
Keep waiting on you

Make up your mind, make up your mind  
Why don't you  
It'd be kind, it'd be kinder  
You know it's true  
And I don't know why, I...  
Keep waiting on you

Yes or no, yes or no  
What's it gonna be  
I can't live on dreams and maybe  
And I don't know why, I...  
Keep waiting on you

One of these days I'm gonna go away from this  
Without a why, without a cry, without a kiss  
Then you'll know what it is with this deal  
Then you'll feel what it is that I feel  
And even if you don't  
At least I won't  
Be waiting on you.
