

Hold on Tight

Greg Holden

I've been selling my name
For the sake of who knows
I've been trying to explain
How it's all gonna go
I don't take my life for granted
I've been waking up tight, day after day
Hope is taking its time to go my way

But I don't take my life for granted
I'm gonna hold on tight to what I've been handed

I'll try not to complain
About the things I have lost
'Cause when you have something great
That just means there's a greater loss
So when you look at yourself, tell me who do you see?
Is it the person you been or the person that you're gonna be?

Don't take your life for granted
Don't take your life for granted
Why don't you hold on tight to what you've been handed

Don't take your life for granted
Don't take your life for granted
Don't take your life for granted
Why don't you hold on tight to what you've been handed
'Cause you just don't know how long you will have it
