

## Anna Belle Lee

Greg Kihn Band

Sometimes, you talk too much  
You hurry too much  
You worry too much about me  
'Cause life's a little bit rough  
A little bit tough  
And a little bit hard to see  
Now, I know our love is fragile  
'Cause it broke so easily

I guess I never know your secrets  
Although I hardly even tried  
To get past your defenses  
Each time I was denied  
You know we couldn't live together  
And we can't live side-by-side

Oh, I loved you for your beauty  
But you wanted to be free
