Can't Stop Hurtin' Myself

Greg Kihn Band

Unlucky at love and life
I'm beaten it every time
I can't afford to be right
I go on ahead just the same

I can't stop hurtin' myself
I can't stop hurtin' myself
I try and I try but I, I can't stop
I can't

I don't want no reputation
Cause reputations are cheap
I don't want no hesitations
Mistakes I've gotta repeat

Over and over

I can't stop hurtin' myself
I can't stop feeling the pain
I can't blame nobody else
I can't get out of the game
I can't stop hurtin' myself
I can't stop hurtin' myself
I try and I try but I, I can't stop
I can't

I can't stop
I can't stop
I can't stop
Feeling the pain
Get out of the game
How feeling the same?
That no one to blame
I don't wanna, I don't wanna you

I can't stop hurtin' myself
I can't stop hurtin' myself
I can't stop hurtin' myself
I can't stop hurtin' myself
I can't stop hurtin' myself
