

Fascination

Greg Kihn Band

I heard all about you
Got me walkin' down the line
Fascination, in reverse
I got the feeling
I'd be wastin' my time
Fascination, it's a curse

You came up to me, baby
Looked in my eyes, you said
You got to suffer, baby, you got to cry
Because, I, I, I, I, I, I, I, I, I, I
Fascination, in reverse

So don't try to fight it
You'll be fightin' yourself
Fascination, in reverse
We both got lovers, girl
And nobody else
Fascination, it's a curse

I'll take my chances if you give me the sign
I must be crazy, must be out of my mind
I, I, I, I, I, I, I, I, I, I
Fascination in reverse

Come on!

Fascination in reverse
Fascination, yeah, in reverse
Fascination in reverse, oh, no
Fascination in reverse

Fascination, fascination
Fascination, fascination
Fascination, fascination
Fascination, fascination
Come on!

Fascination
