

Rendezvous

Greg Kihn Band

I had a dream our love would last forever
I had a dream tonight my dream comes true
So meet me at midnight
We'll find a place where there's no one in sight
Ooh we'll have a rendezvous

You know girl, when I told you how much I liked you
I've got a feeling that you like me too
And if you love me tight
We'll be riders, girl, on the night
Ooh we'll have a rendezvous

'Cause we desire so much more than this girl
That's why I'm riding on the power
And living on the promise of your last kiss
I had a dream our love would last forever
I had a dream tonight my dream comes true
Ooh we'll have a rendezvous

So she'll be there all night
And it I'm down she make me feel right
Ooh, ooh, ooh I want a rendezvous
I want a rendezvous
I want a rendezvous
I want a rendezvous
