

Reunited

Greg Kihn Band

Reunited - with my baby
Reunited - after all
Reunited - with my baby
Reunited - after the fall

I really love that girl
I've got to tell the world
I ain't ashamed to admit it
I can't explain myself
I don't want nothing else
I ain't about to forget it

Reunited - with my baby
Reunited - after all
Reunited - with my baby
Reunited - after the fall

I had to struggle by
The tears were in my eye
And it was hard to contain it
I was a lonely man
I never had no plans
I know it's hard to explain it
Reunited - with my baby
Reunited - after all
Reunited - with my baby
Reunited - after the fall

And when I look into her eyes
Sometimes then I realize
Is anybody out in the hall
My friends say I'm crazy
But that just don't matter at all

I really love that girl
I've got to tell the world
I ain't ashamed to admit it
I can't explain myself
I don't want nothing else
I ain't about to forget it

Reunited - with my baby
Reunited - after all
Reunited - with my baby
Reunited - after the fall

Reunited - with my baby
Reunited - after all
Reunited - with my baby
Reunited - after the fall
Reunited
