

# Sheila

Greg Kihn Band

Sweet little Sheila  
You'll know it when you see her  
Blue eyes and a pony tail  
Her cheeks are rosy, she looks a little nosy  
Man this little girl is fine

Never met a girl  
Like my little Sheila  
Her name drives me insane  
Sweet little girl, that's my little Sheila  
Man this little girl is fine

When me and Sheila go for a ride  
I, I, I, I, I feel funny inside  
When my little Sheila whispers in my ear  
Oh, oh, oh, oh, I love you Sheila dear

She even said she loved me  
She said she'd never leave me  
True love will never die  
We sit down on that beach, just being right together  
Man this little girl is fine

Alright!
