

Someday

Greg Kihn Band

Someday baby, you're going to need somebody's time
Someday baby, I hope I'll be there to give you mine

What does it take, to make you see?
To make you see
What does it take?

Someday baby, you'll take a wise man for a fool
Someday baby, I'll be the exception to the rule

What does it take, to make you see?
To make you see
What does it take?
Hah
What does it take?
What does it take?
What does it take?

What does it take, to make you see?
To make you see
What does it take?
Hah
What does it take?
What does it take?
What does it take?
What does it take?
To make you see
What does it take?
To make you see
What does it take?
What does it take?
Ooh...
