

Talkin' to Myself

Greg Kihn Band

Hey
Hey
Hey
Hey

I've got a lot of things
I wanna say now
You won't listen to me
I know the way now
To get 'em off my mind
It happens every time
Here comes the danger sign
I'm all alone and I'm

Talkin' to myself
I'm just talkin' to myself
I'm just talkin' to myself
Talkin' to myself, mmm

There ain't nobody else
Here in the room now
I'm goona be alone
All afternoon now
And when the shadow falls
Across these empty walls
I will not be afraid
To hear what I will say

I'm just talkin' to myself
I'm just talkin' to myself
I'm just talkin' to myself
Talkin' to myself, oh yeah

I'm just talkin' to myself
I'm just talkin' to myself, oh yeah
I'm just talkin' to myself
Talkin' to myself, oh yeah

I'm just a-talkin'
Oh I'm just a-talkin'
Talkin' to myself

Telephone is ringin'
I ain't gonna pick it up, oh no

And I can be completely honest
Hear everything that I gotta say
Oh yeah, oh I'm just a-talkin'...
