

Understander

Greg Kihn Band

I just want to be the understander
(I just want to be the understander)
I just want to understand your love

I don't want to possess your soul
I don't want to be in control
I don't want to forsake your heart
I don't want to tear you apart

I just want to be the understander
(I just want to be the understander)
I just want to understand your love
I just want to be the understander
(I just want to be the understander)
I just want to understand your love

I don't want to compete with you
'Cause one of us would fall (No, no, no)
I don't want all your memories
Of things you can't recall (No, no, no)
I don't want you to be afraid
I don't want you to change your ways (No, no, no)
I don't want you to take a chance
I'm not looking for being the same

I just want to be the understander
(I just want to be the understander)
I just want to understand your love
I just want to be the understander
(I just want to be the understander)
I just want to understand your love
Understand your love
Understand your love
