

Black and Blue

Greg Lake

Ain't it strange, when I appear you run for cover?
And when I look into your eyes, what do I see?
Have our love dreams flown away from one another?
Oh darling, don't stop loving me.

No, I never meant to fill your dreams with heartaches,
or to send your true love crashin to the floor.
But sometimes things just work out real crazy.
Oh baby, don't you love me anymore?

Don't you love me?
Don't you love me anymore?
Don't you love me?
Don't you love me anymore?

And if you leave me,
baby, I'll just break down and cry.
Don't say it's over,
I just couldn't live without you, I'd die.

'Cause no one else ever touched me
the way you do.
So darling don't you leave me
I'll never get over you.

'Cause you're my squeeze in the nighttime,
and I love you.
Darling, don't ever leave me,
don't ever leave me black and blue.
Ooh.

Don't you love me?
Don't you love me anymore?
Don't you love me?
Don't you love me anymore?

And if you leave me,
baby, I'll just break down and cry.
Don't say it's over,
I just couldn't live without you, I'd die.

'Cause no one else ever touched me
the way you do.
So darling don't you leave me,
I'll never get over you.

'Cause you're my squeeze in the nighttime,
and I love you.
Darlin', don't ever leave me,
don't ever leave me black and blue.

'Cause baby, if you leave me,
I wouldn't know what I'd do.
Don't ever leave me, don't ever leave me,
don't leave me black and blue.
