

Adore

Greg Laswell

If only I didn't want the world
It wouldn't make you feel so sad
I'm sure my shame would be gone
Is it human to adore life?

If I hadn't hidden my lust
And starved a little bit more
If only I didn't ask for more
Is it human to adore life?
I adore life

If only I'd lived beyond regret
I wouldn't feel guilt for what I take
Is it human to ask for more?
Is it human to adore life?
I know evil when I see it
I know good and I just do it
If I hadn't been so starved
Is it human to adore life

And I understand the urgency of life
In the distance - it's truth, which cuts like a knife and maybe

I will die maybe tomorrow
Slowly descend

I adore life
I adore life

If only I'd been more shy and
Hid every tear I cried
If only I didn't wish to die
Is it human to adore life?

If only I didn't care so much
For the feel of your cold cold touch
And every bed I leave behind
Is it human to adore life?

And I understand the urgency of life
In the distance is truth, it cuts like knife and maybe

I will die maybe tomorrow
Slowly descend

I adore life
I adore life
Do you adore life?
I adore life
Do you adore life?
Do you adore life?
