Dodged A Bullet

Greg Laswell

I'm not gonna try and make it even
You're way ahead by now
I'm not gonna try and make it all even
Even though I know how

And everyone thinks I dodged a bullet
But I think I shot the gun
And everyone thinks I dodged a bullet
But I think I shot the gun

I'm not gonna tell my new friends about you
No, I'm gonna let that slide
I'm gonna be lazy when I write about you
Even though it takes all my might

And everyone thinks I dodged a bullet
But I think I shot the gun
And everyone thinks I dodged a bullet
But I think I shot the gun

I'm gonna get back to believing
It's been a long, long time now
I'm gonna get up and make it look easy
Even though I don't know how

I'm not gonna try and make it even
I'm way behind by now
No, I'm not gonna try and make it all even
Even though I know how

And everyone thinks I dodged a bullet
But I think I shot the gun
And everyone thinks I dodged a bullet
But I think I shot the gun
And everyone thinks I dodged a bullet
But I think I shot the gun
And everyone thinks I dodged a bullet
But I think I shot the gun
And everyone thinks I dodged a bullet
But I think I shot the gun
And everyone thinks I dodged a bullet
But I think I shot the gun
And everyone thinks I dodged a bullet
But I think I shot the gun
And everyone thinks I dodged a bullet
But I think I shot the gun
