

## For You

Greg Laswell

How I marveled at your pace  
Everyone was in your airspace  
Here's a slow one down the middle for now  
Wait for it to get there, I know you know how

And I will bide my time for you  
And I will bide my time for you  
And I will bide my time for you  
And I will bide my time for you

And of the infantry against you  
Well, I don't know how much of that was true  
But I do know you gave your all  
But I do know you gave your all  
And I thank you for letting me watch you fall  
And I thank you for letting me watch you fall

And I will bide my time for you  
And I will bide my time for you  
And I will bide my time for you  
And I will bide my time for you

I And I guess I'll let it fly  
That you never really said goodbye  
And I will bide my time for you

I And I guess I'll let it fly  
That you never really said goodbye  
And I will bide my time for you

I will bide my time for you  
I will bide my time for you  
I will bide my time for you
