

Never Want to See You Again

Greg Laswell

I know you long to be one of a kind, a one-off
I know you fall for love songs you've no part of
It was all in my head
That's what you said
So I went right in
And gave it my best
That's what you said
You wanted to be one of a kind and

So I'll give you that
You're the only one
That I've ever known
That I've ever know
Yeah I'll give you that
You're the only one
That I've ever known
That I've ever know

That I never wanna see you again
That I never wanna see you again
That I never wanna see you again
That I never wanna see you again
That I never wanna see you again
That I never wanna see you again
That I never wanna see you again
That I never wanna see you again

I know you long to be one of a kind
A one-off
And I know you long to get what you want

So I'll give you that
You're the only one
That I've ever known
That I've ever know
Yeah I'll give you that
You're the only one
That I've ever known
Who I've ever know

That I never wanna see you again
That I never wanna see you again
Oh I never wanna see you again
Oh I never wanna see you again
Who I never wanna see you again
Oh I never wanna see you again
Oh I never wanna see you again
Oh I never wanna see you again

And all of your wisdom
And all of your white lies
Don't deserve a melody
So I'll sing it outright

Oh I never wanna see you again
Oh I never wanna see you again
Oh I never wanna see you again

Oh I never wanna see you again

Oh I never wanna see you again
Oh I never wanna see you again
Oh I never wanna see you again
Ooh I never wanna see you again
Ooh I never wanna see you again
Ooh I never wanna see you again
Ooh I never wanna see you again
Ooh I never wanna see you again
