

## Take Everything 2

Greg Laswell

You say the sky is green  
I don't know what you mean  
Your lies were always clear but I don't mind  
No, I don't mind, I don't mind

Go on and take everything from me and more  
Go on and take everything from me and more

You say the sky is blue  
As long as I'm with you  
[Incomprehensible] but I don't mind  
No, I don't mind, I don't mind

Go on and take everything from me and more  
Go on and take everything from me and more  
Go on and take everything from me and more

You have your reasons why  
You've got them all in line  
You think that I am blind but I don't mind  
No, I don't mind, I don't mind

Go on and take everything from me and more  
Go on and take everything from me and more  
Go on and take everything from me and more

Go on and take everything from me and more  
Go on and take everything from me and more  
Go on and take everything from me and more  
Go on and take everything from me and more
