

Deep Set

Greg Puciato

I can't turn this off
I'm not sure what we just said
I wanna go back down
What a big surprise

I thought we were already dead
But it's fun to me if you'd like a match lit
I'm a wink and you're a kiss and
I can't breathe up against your eyes

Your deep set eyes
Your deep set eyes
Your deep set eyes
Your deep set eyes

Right here, I should wanna leave
But I really don't, life is so cruel
And a think and a worry, a drink in a hurry
Oh, what I won't do

I thought we were already dead
It's so fun to me if you'd like a match lit
I'm a wink and you're a kiss and
I can't breathe up against your eyes

Your deep set eyes
Your deep set eyes
Your deep set eyes
Oh, your deep set eyes
Eyes, eyes, eyes

I thought we were already dead
We can try to be if you'd like a match lit
I'm a wink and you're a kiss and
I can't care against your eyes

Your deep set eyes
Your deep set eyes
Your deep set eyes
Your deep set eyes
Eyes, eyes
Your deep set eyes
Your deep set eyes
Such a big surprise
In your deep set eyes
Eyes, eyes, eyes
