

# Down When I'm Not

Greg Puciato

Tell another secret  
I've got one more  
I can't lie about nothing now  
And I don't mind  
It's not too late for us to start  
Tell me when it's over  
Tell me what you're doing  
Anywhere you want and we can go

I don't think it's all for nothing  
I know I'll never let you down  
When I'm not around  
I said it's not too late for us to start  
Tell me what you're doing  
I'll never let you down  
When I'm not around  
I said

I've no love for anyone  
And anyone that gets close will find  
I control my line  
It's never late for us to start  
So tell me when it's over  
Tell me what you're doing  
Anywhere you want and we can go

I don't think it's all for nothing  
I know I'll never let you down  
When I'm not around  
I said it's not too late for us to start  
Tell me what you're doing  
I'll never let you down  
When I'm not around  
I lie awake

Don't know who to blame  
Run away to something  
Don't know who to blame  
If you're telling me nothing  
Don't know who to blame  
Is it love or lust?  
Don't know who to blame  
When the feeling comes for you

I don't think it's all for nothing  
I know I'll never let you down  
When I'm not around  
I said it's not too late for us to start  
Tell me what you're doing  
I'll never let you down  
When I'm not around

Even if we've grown apart  
It's never late for us to start  
Even if we've grown apart  
And everything seems in the dark  
Remember what I said

Tell me what you're doing  
I'll never let you down  
When I'm not around
