

Let Down

Gregorian

Transport, motorways and tramlines Starting and then stopping
Taking off and landing The emptiest of feelings Disappointed people
clinging on to bottles And when it comes it's so so disappointing

Let down and hanging around Crushed like a bug in the ground
Let down and hanging around

Shell smashed, juices flowing Wings twitch, legs are going
Don't get sentimental It always ends up driving

One day I'm going to grow wings A chemical reaction Hysterical
and useless Hysterical and ...

Let down and hanging around Crushed like a bug in the ground
Let down and hanging around

Let down again Let down again Let down again

You know, you know where you are with You know where you are
with Floor collapsing Floating, bouncing back And one day.... I
am going to grow wings A chemical reaction Hysterical and
useless Hysterical and...

Let down and hanging around Crushed like a bug in the ground
Let down and hanging around
