Sky And Sand

Gregorian

In the nighttime when
The world is at it's rest you will
Find me in the place
I know the best dancin', shoutin'
Flyin' to the moon (you)
Don't have to worry
'Cause I'll be come back soon

And we build up castles
In the sky and in the sand
Design our own world ain't nobody understand
I 'round myself alive in the palm
Of your hand as long as we are flyin'
All this world ain't got no end

In the daytime you wil find me
By your side tryin' to do my best
And tryin' to make things right
When it all turns wrong
There's no fault but mine
But it won't hit hard 'cause you let me shine

And we build up castles
In the sky and in the sand
Design our own world ain't nobody understand
I 'round myself alive in the palm
Of your hand as long as we are flyin'
All this world ain't got no end

And we build up castles
In the sky and in the sand
Design our own world ain't nobody understand
I 'round myself alive in the palm
Of your hand as long as we are flyin'
All this world ain't got no end

And we build up castles
In the sky and in the sand
Design our own world ain't nobody understand
I 'round myself alive in the palm
Of your hand as long as we are flyin'
All this world ain't got no end
