

Stop Crying You'r Heart Out

Gregorian

(Oasis)

Hold up
Hold on
Dont be scared
You'll never change whats been and gone

May your smile (may your smile)
Shine on (shine on)
Dont be scared (dont be scared)
Your destiny may keep you warm

Cos all of the stars
Are fading away
Just try not to worry
You'll see them some day
Take what you need
And be on your way
And stop crying your heart out

Get up (get up)
Come on (come on)
Whyre you scared? (Im not scared)
You'll never change
Whats been and gone

Cos all of the stars
Are fading away
Just try not to worry
You'll see them some day
Take what you need
And be on your way
And stop crying your heart out

Cos all of the stars
Are fading away
Just try not to worry
You'll see them some day
Take what you need
And be on your way
And stop crying your heart out

Were all of us stars
Were fading away
Just try not to worry
You'll see us some day
Just take what you need
And be on your way
And stop crying your heart out
Stop crying your heart out
Stop crying your heart out
