

5 O'Clock Shadow

Gregory Alan Isakov

My mug's got a five o'clock shadow
From workin' on the fields
Workin' on the fields
Workin' on the fields so long

My mug's got a five o'clock shadow
From workin' on the fields
Workin' on the fields
Workin' on the fields so long

And my love's gone across the water
And my love's gone across the sea
You know I won't sleep
