

# Where You Gonna Go

Gregory Alan Isakov

Where you gonna go  
Like that  
With the holes in you  
With the holes in you

Where you gonna go  
Like that  
With the holes in you  
With the holes in you

Summer sun won't come  
With the holes in you  
With the holes in you

Jump the gun  
Run, run, run

Where you gonna go  
Like that  
With the holes in you  
With the holes in you

Where you gonna go  
Like that  
With the holes in you  
With the holes in you
