

A Century Is All We Need

Gregory and the Hawk

Give it like it's meant for me
Little piece of ecstasy
A second is a century
And a century is all we need

Wild flower, my face of love
Stand and watch the water fall
Think of days we knew the call
The days when we still had it all

They don't mean much now maybe
To someone lookin' up
You told me once but maybe
I can't figure it out, I can't figure it out
I can't figure it out, no
