

Ba-Da

Gregory Isaacs

Oh, oh, ba da, oh, oh ba da, oh ba da
Oh no, I just can't understand
How come you want a change of plans?
What did I do to break your heart?
Tell me the story from the start
Play it cool, oh yeah, come on baby

Oh, oh, ba da, oh, oh ba da, oh ba da
Come on and tell me why
you wanna say bye bye
Oh no, I just can't understand
How come you want a change of plans?

Oh, oh, ba ya, oh, oh ba ya, oh ba ya
What did I do to break your heart?
Tell me the story from the start
Oh yeah, tell me baby, I wanna know

Oh no, I just can't understand
How come you want a change of plans?
Oh ba ya, oh, oh, ba ya
Oh ba ya, oh, oh, ba ya
