

## If You're In Love

Gregory Isaacs

If you're in love, in love with someone new  
Please, let me know, now  
So I can find a lover too  
Instead of, wasting my time all over you  
Let me know if we're through

Please, let me know, now  
If I must stay or I must go  
Just speak your mind and say yes or no  
Let me know if we're really through  
So I can find someone new

Instead of worrying over you  
I'd like to know just what to do  
So let me know if I must stay or I must go  
Just speak your mind and say yes or no  
Let me know if you're really through  
So I can find someone new

If you're in love, in love with someone new  
Please, let me know, now  
So I can find a lover too  
Instead of, wasting my time all over you  
Let me know if we're really through

Believe me
