

If You See My Mary

Gregory Isaacs

If you see my Mary, tell her get ready
You can tell her that it's mister Dynamite
Surely gonna visit her tonight (See)
Must haffi get a check tonight (Lord now)

You can tell her not to worry
'Cause I'll be there into a hurry
Is in the dark that I'm gonna bring the light
I surely got to visit her tonight (See)

Must haffi get a check tonight (Very please)
Don't you know that you're my mistress?
We're strangers no more
'Cause we both walk the world before, Mary
You know I've got to rhyme again, Mary
You're so fine, won't you deliver this message?

You can tell her not to worry
I'll be there into a hurry
You can say that it's mister Dynamite
Surely gonna visit her tonight (See)
Must haffi get a check tonight (Yeah)
Sure gonna visit her tonight (See)
Must haffi get a check tonight

Mary please, don't you know that you're my mistress?
Strangers no more
'Cause we both walk the world before, Mary
You know I've got to rhyme again
In this time, girl is in my mind, Mary

Won't you deliver this message?
Tell her I'll be walking down
Mary, you know I've got to rhyme again
