Gregory Isaacs

Ladadadadadee
Ladadadadadee

Man of temptation
You're not of my religion, ya
So please don't make no wrong decision
About this congregation, 'cause
Man without religion
Just can't be in a righteous man position

Man of brutality
Show some humanity, yeah
Stop cursing us with misery
Nothing bounds us, still we are not free

Ladadadadadee
Ladadadadadee, yeah

Ladadadadadee

Man of temptation
You're not of my religion, ya
So please don't make no wrong decision
About this congregation, 'cause
