

## The Border

Gregory Isaacs

If I could reach the border  
Then I will step across  
So please take me to the border  
No matter what's the cost cause I'm leaving yeah

I'm leaving out of Babylon, leaving out  
I'm leaving out to Rome, leaving out of Rome  
I'm leaving out to dis yah land  
This place could never be my home  
Say we want we want go home

Say we want we want go home  
Yes we want we want go home  
Say we want we want go home  
Say we want we want go home  
That's where we want to go  
Say we want we want go home  
Africa we want to go  
Say we want we want go home  
Say we want we want go home

If I could reach the border  
Then I will step across  
So please take me to the border  
And I will pay the cost cause I'm leaving yeah

I'm leaving out of Babylon, leaving out  
I'm leaving out to Rome, leaving out to Rome  
I'm leaving out to dis yah land

Say we want we want go home  
Leaving out to Rome
