

Tune In

Gregory Isaacs

Meet me at the corner
Down your avenue
And I'll be patiently, yeah
Waiting there for you

I said you tune in till a mawning
Tune in yah mi sistren
Cause I like it like that
I like it like that
I like it like that, yeah
I like it like that

So tune in till a mawning
Tune in yah mi sistren
Your tune know how to groove me
I like the way you move me
Yeah

Please meet me at the corner
Down your avenue
And I'll be patiently, yeah
Waiting there for you

I said you tune in till a mawning
Tune in yah mi sistren
Cause I like it like that
I like it like that
I like it like that, yeah
You know I like it like that

So tune in till a mawning
Tune in yah mi sistren

You do it to me nice yeah
But do it to me twice

I like it like that
